

ATTENTION:

**CALIFORNIA LEAFY GREENS
MARKETING AGREEMENT SIGNATORIES!**

Industry Information Workshops Have Been Postponed

Last week we sent you a "Save the Date" notice related to the series of information workshops for signatory members. The informational workshops were to be held from June 20th through June 28th. At a board meeting of the LGMA last Friday, it was decided that we should take a little more time finalizing the specifics of the program before holding these meetings, and therefore **the industry workshops have been postponed until July.**

Please disregard the previous notice; we will send you the new dates and locations for the workshops as soon as we have them scheduled.

Sincerely,

A handwritten signature in black ink that reads "E. Scott Horsfall". The signature is written in a cursive style with a large, stylized "H".
